## KEYNOTE SPEAKER: A/PROF ASHOK HANDA

Ashok Handa is Associate Professor of Surgery at Oxford University and Consultant Vascular Surgeon at the John Radcliffe Hospital in Oxford. He is the Director for Surgical Education for Oxford University and responsible for the Undergraduate curriculum in surgery. Until recently he was also Associate Director of Clinical Studies with responsibility for assessment.

He is Co-Director of the Collaborating Centre for values based practice in health and social care based at St Catherine's College, Oxford. He is responsible for education and research for the centre. He is Fellow in Clinical Medicine and Tutor for Graduates at St Catherine's College, the largest in Oxford. He is the Principle Investigator for the OxAAA study, investigating the cause and growth of abdominal aortic aneurysms. His research interests include carotid imaging and patient safety.
